

Dear Family and Friends,

I am planning to participate on a medical mission trip from *insert dates* to *insert location*. I will be volunteering with Team Tampa Bay Missions Inc, a Florida non-profit that leads medical mission trips primarily to the Dominican Republic and Haiti. Their trips have been an ongoing effort for many years to provide medical care to the people who work in the sugarcane fields or live in impoverished areas of Hispaniola.

We will have a team of medical professionals and volunteers to help provide care, compassion, and education to the people in the villages and surrounding areas. We will be taking medical supplies, medications, clothing, and other donations that have been collected by members of the group. Every trip we hope to take over 1000 pounds of medications and supplies to meet the needs of the local people that we will serve. All of these supplies are being donated or purchased through our fundraising efforts among family and friends. Every dollar sent will go directly to the people in the most need. The materials and supplies we purchase here will make it possible for our work to continue in these areas of need. It is my hope that this mission will present me with an unforgettable and life changing experience that will positively affect the way I live my life.

If you would like to contribute a monetary gift to aid me in being able to go on this amazing trip, you can make your donation payable to "Team Tampa Bay Missions Inc." (or "TTB Missions Inc.") and note "*insert trip location - insert your name*" in the memo section.

Please send your gift to:
Team Tampa Bay Missions Inc.
